They have come and gone – Christmas and the New Year celebrations. Hope everyone had a great time with family and friends. The New Year seems to have brought summer with it which is fantastic, as spring and December felt like we were still in winter. At one point, I thought there might be a chance for a white Christmas!

In this month's issue of our newsletter we announce the winners of our Christmas Package Promo, we introduce to you GK Hair 'The Best' taming and smoothing treatment along with some Summer Hair tips.

Winners are Grinners.

Our Hair by Phd Christmas Packages were a huge hit. I would like to congratulate our 3 winners. 1st Prize went to **Sonja Matthews** who won a night for two people at the Terrigal Crowne Plaza Hotel. 2nd Prize went to **Kim Browne** who won a bottle of Mumm French Champagne. 3rd Prize goes to **Angela Hamilton** who won a basket of fine Chocolates.

GK Hair 'The Best' Taming and Smoothing System.

After an agonising search for a smoothing product that not only performs well, as well as being safe to use, we have found one. GK Hair "The Best" is really the best smoothing product I have seen. We tested this product on a client who has very frizzy, uncontrollable hair. The results have left her hair feeling smooth, beautiful and manageable. We are also reassured that the formula is formaldehyde free. Our GK Hair Packages will be out soon. Be sure to ask your stylist about this one.

Hair by Phd Referral Program

The highest compliment we can receive is a referral of a friend or family member. To find out how you can get a **\$40 Gift Voucher** to our salon just for referring a friend or family member call Sonia on 9635 4721 and join our Hair by Phd referral program.

Summer Hair

The look this summer is all about braids. Yes, the braid has made a comeback. During formal season we incorporated braids into a lot of our formal styles. It is also great for the casual summer B.B.Q, cocktail party or just a fun gathering of friends. Next time you are in for a do ask your stylist about how we can style your hair with a full or partial braid. If you have a special function to go to over the

summer why not pop in for a quick braid as it only takes minutes to produce a great looking style.

Five tips for Beautiful Hair this Summer. Tip 1 – Condition More!

The importance of using a top quality UV protection leave-in conditioner, like the Kerastase Soleil Lait Richesse which will moisturise your hair as well as give your hair U.V protection. Once a week, give yourself a good deep conditioning treatment with Kerastase Soleil Masque U.V. Defense Active. It's the best!

Tip 2 – Shampoo Less!

Shampooing can be drying to your hair, so skip a few days in between shampoos to prevent your hair from losing its natural moisture. On those shampoo-free days, try a dry shampoo, such as Osis Refresh Dust Dry Shampoo to keep hair looking good.

Tip 3 – Protect Your Hair from the Sun

If you're in the sun for long periods of time, use a leave-in conditioner with UV protection, such as Kerastase Soleil Aqua Seal.

Tip 4 – Watch Out for Chlorine

Chlorine is extremely damaging on your hair. Wear a cap where possible, or wet your hair first in the shower prior to swimming to prevent your hair from absorbing chlorine. Again use a leave-in conditioner with UV protection, such as Kerastase Soleil Aqua Seal and a good shampoo like Kerastase Bain Apre-Soleil to remove the chlorine residue as soon as possible after swimming.

Tip 5 – Trim regularly

Keep the ends of your hair trimmed and well moisturised to prevent breakage during the summer months.
